Refund Policy Summer 2024 Camps

The following Policy provisions apply to participation in Summer 2024 Camps through Hull Hockey Premier Training Inc, including Advanced Powerskating Progression, Body Positioning, Puck Protection & Deception, Nothing But Shooting, 15U-18U Dynamic Skills, Girls Super Skills, and 8U Extreme Development.

Generally, all camp registration fees and deposits are non-refundable and non-transferable. However, in very limited circumstances, Hull Hockey may approve the refund of all or a portion of camp registration fees. Unless noted otherwise below, the following rules apply:

- All refund requests must be made in writing, submitted to Hull Hockey.
- Approved refunds will be assessed a **\$50.00 administration fee** prior to refund, an amount which reflects certain fixed expenses incurred by Hull Hockey.

Specific refund circumstances include:

- (1) **Refund request submitted on or before June 1, 2024.** Hull Hockey will approve a full or partial refund if such request is submitted on or before **June 1, 2024**. In the event a particular camp has started prior to the date such refund request is made, a pro-rata partial refund will be approved based on the number of sessions that have already been completed. Refund requests submitted after such date will **not** be approved, unless another specific refund circumstance applies.
- (2) **Player relocates outside of the Denver metro area (60-mile radius).** Hull Hockey will approve a full or partial refund, regardless of when such refund request is submitted, if the player relocates outside of the Denver metro area. In the event a particular camp has started prior to the date such refund request is made, a pro-rata partial refund will be approved based on the number of sessions that have already been completed.
- (3) **Player incurs a camp-ending injury.** Hull Hockey will approve a full or partial refund, regardless of when such refund request is made, if the player incurs an injury that otherwise prevents the player from participating in all of the remaining camp sessions. A note from a doctor explaining the injury and the expected duration of the injury must be submitted along with the refund request. In the event a particular camp has started prior to the date such refund request is made, a pro-rata partial refund will be approved based on the number of sessions that have already been completed. Refunds will not be approved if the injury causes a player to miss some, but not all, remaining camp sessions.
- (4) **Other circumstances.** In all other circumstances, a player is not entitled to a refund. However, Hull Hockey retains the discretion, but not the obligation, to evaluate other refund requests on a case-by-case basis, and shall have discretion and authority to deny, approve, or partially approve any such refund request.
