### POST-CHRISTMAS GOAL SCORING & DECEPTION CHRISTMAS Camp

DECEMBER 28TH-31ST  
@ THE ICE RANCH

**PRODUCE MORE OFFENSIVELY.  
MASTER BEING MYSTERIOUS.**

#### KEYS TO THE FUTURE

Deception is the future of skill development for all high level hockey players. The best players in the world today are insanely hard to play against, and not just because of their skating ability, but because they are so unpredictable.

#### UNRIVALED ENVIRONMENT

One of the main reasons why this camp is so enjoyable is the fact that we bring exceptionally high energy with modern & unique drills with an abundance of repetitions at a pace you won't find anywhere else.

#### THE IMPORTANT HALF

As we head into the second half of the season, there's no better time to give your player the tools to build for the future as they continue to get bigger, stronger and faster. The tools they need to master being mysterious.
